

REMINDER OF PRINCE REGENT RULES – APRIL 2017

Following a meeting with Prince Regent Management we list below updates of rules and changes applicable to BSC which will be adhered to. Verbally challenging and abusing these rules with PR staff is totally unacceptable.

1. **CAR PARK:** Within the next few months the car park will be under the control of ParkingEye, Prince Regent will be giving us the commencement date together with procedures in due course. Due to only 34 spaces parking is limited; to ease this stressful situation may we suggest parents and members kindly seek alternative areas to park.
2. Access to the **pool foyer** by Brighton SC members will be from 17.45 on a Friday club night and not before.
3. Everyone swimming, playing water polo, synchro or watching from the balcony (including parents and younger siblings) must pay. Members of Freedom Leisure do not have to pay a spectators fee.
4. **Friday club night:** Swimmers **must pay & wear a wristband**. Therefore would all members/parents, when entering the complex, report to the cash desk in the foyer, and pay the appropriate fee (reminder below) and collect a wristband, to be worn on your child's/member's wrist before entering the pool to swim. To ensure no unnecessary upsets, especially with our younger members, would **all parents please adhere to the above request** and refrain from any verbal confrontation with Prince Regent staff/Lifeguards.
5. Entry fees as from 1st April 2017 as follows.
 - Swimmers – Adults £4.75 - Child, Student & OAP £2.85
 - Spectators – Adults £1.60 - Child, Student & OAP £1.20
6. Everyone must enter the pool through the front door and pay the applicable charge. No slipping in the back door or bypassing the busy receptionist. This is dishonest and gives our club a bad reputation.
7. No mobile phones, iPods or cameras etc. are allowed on poolside.
8. Children not swimming and parents should stay on the balcony they are not allowed on poolside.
9. **All instructors (poolside):** Shoes must be covered in the changing area, removed or changed to suitable clean poolside wear. Overshoes available in changing area.
10. The area at the back of the flexi pool and all around to and under the flume is strictly out of bounds.
11. **Wednesday evenings:** Any early arrivals should not congregate poolside. Please wait in the reception area – swimmers must pay the appropriate entry fee (see above) and wear a wristband.
12. **Saturday morning swimmers** must be out of the pool and in the showers by 08.50 to help congestion on poolside. Non-Brighton SC lessons start at 9.00 am, so we need to give room for these.
13. Please do not use the back passageway near the back stairs as this a fire escape. (Helpers may use occasionally). All swimmers must enter the pool via the changing rooms. Also do not congregate or obstruct the fire exit areas at the deep or shallow ends of the pool.
14. All helpers please wear BSC shirts along with Friday night passes or you may be challenged to pay by the pool staff.

Thanking you in anticipation for your kind co-operation
